

Oshkosh United Board Meeting Minutes - March 22, 2009

Present: Chris Nelson, Eric Nelson, Stacey Berger, Brad Cirricione, Meghan Callahan, Alice Roberts, Christina Godfrey, David Seekings, Karla King, Matt Callahan, Sean Steele, Steve Finley, Mike Panas, Amy Schneider, Charollete Stich.

Sean did a brief re-cap of going down to 3 tournaments and the benefits of this. David went over the numbers for our club fees and if we did go down to 3 tournaments instead of 4 we couldn't lower fees but we could keep them the same and would not have to raise them.

Motion was made, seconded and approved to go down to 3 tournaments instead of 4.

Sean and David will address the club at the Spring Meeting about this decision (development and financial standpoints).

On the topic of fees the question was raised do we need to start charging for those people who do not volunteer within the club. It was agreed that we will need to start doing this but were unsure of how many hours vs. how many members we have and if there is enough to make sure that every parent is volunteering. Mike Panas will address the club tonight at the spring meeting to make them aware that we will start doing this but an exact dollar amt. will be decided at a later date.

Motion to adjourn the meeting, seconded and approved.

Spring meeting proceeded this meeting.
